

	Faith	Hope
Source	Originates in the intellect	Rises in the will
Function	Says what is to be done - Teaches, describes, directs	exhorts the mind to be strong and courageous
Objective	concentrates on the truth	looks to the goodness of God
Sequence	the beginning of life before tribulation	comes later and is born of tribulation
Effects	Judge – judges error	Soldier – fights tribulations, despondency, despair, waits for better things to come in the midst of evil

Without hope, faith cannot endure. On the other hand, hope without faith is blind rashness and arrogance because it lacks knowledge. Before anything else a Christian must have the insight of faith, so that the intellect may know its directions in the day of trouble and the heart may hope for better things. By faith we begin, by hope we continue. Martin Luther
